All LeCroy WaveJet and WaveAce Oscilloscopes

WaveJet® Oscilloscopes

- 100 MHz, 200 MHz, 300 MHz, and 500 MHz bandwidths
- 2 GS/s sample rate
- 500 k standard memory per channel
- 7.5" color display
- 26 automatic measurements
- Waveform math—including FFT
- Replay function to capture random events
- USB, GPIB* and LAN* Interfaces
- Free passive probe per channel

Starting at
\$2,670

Starting
at **\$980**

WaveAce™ Oscilloscopes

- 60 MHz, 100 MHz, 200 MHz and 300 MHz bandwidths
- Up to 2 GS/s
- 4 kpts/Ch and 9 kpts/Ch standard memory
- Advanced Triggering — Edge, Pulse Width, Video, Slope
- 5.7" color display on all models
- 32 automatic measurements
- 4 math functions plus FFT
- USB connections for printers, memory sticks and PC remote control
- Pass/Fail mask testing
- Free passive probe per channel
